

CREATIVE ART & LEARNING WORKSHOPS

Create your own artwork (often inspired by objects in a museum and learn new methods of art making with the guidance of expert artists and designers). Practical workshops for all ages and levels of experience offer an opportunity to extend & develop themes through creativity & exploration.

Mask Making - Animal & Historical Characters

Come and test your creating skills in our mask-making workshops. Be inspired by the natural & historical world and make a mask to take home. Sneak like a spotty leopard in the desert, fly like a paradise bird in the jungle and explore the pyramids of Egypt by making death-masks ! Learn about the functions of masks in different ethnic cultures around the world from exotic Polynesia to tribal Africa.

Creative Collage Workshop - Paint with Scissors

Explore a variety of themes and create a piece of surreal artwork of a character, animal or landscape using the old school technique of cut & paste with mixed media. Pasted on board or canvas.

Abstract Canvas - Art in Motion

Anyone can be an artist ! No drawing skill needed. Learn about colour, movement and design through creative techniques such as flow painting to create a fabulous abstract art for your wall.

Learn the techniques, tips and tricks of acrylic pouring in this fun, interactive workshop. We demonstrate the "Dirty Pour, Ribbon Pour, and Swirly Pour" methods.

Print Making - Using Nature & Museum Theme Templates

Learn to make mono prints using Gelli plates.

This workshop will explore this direct fast printing process with Gelli Plate and acrylic paint. We will use multi layers, additive and reductive technique to create range of marks. Explore the different materials to create layers and colours, it is fun, quick, spontaneous and very enjoyable.

Action Painting - Spatter it! Drip it! Discover how famous celebrity artist Jackson Pollock invented new ways of painting.

Spark your creativity! In this workshop you will learn techniques used by artists such as Jackson Pollock. Enjoy dripping, pouring, throwing and splattering paint onto canvas using sticks & brushes spontaneously!

Children from age 5 and up can learn both about the art-historical technique of Jackson Pollock and have an amazing fun experience recreating the drip paintings of this master of Modern Art.

Abstract Canvas - Geometric Art

Masking Tape Art is catching on as an emerging art form and medium. Learn all about this technique which is extremely intuitive, inventive and fun!

Participants will be instructed how to construct a piece of abstract art on canvas with strong composition, texture, shape, line and color.

Ink Drawing - Capture Animals in Action

Learn how to paint animals with water using simple ink drip technique to capture their movement such as birds flying in the sky and whales & sharks swimming in the sea.

Dot Painting – and more!
